

Bayford

Porcelain - soft concrete effect

Bayford is a concrete-effect porcelain collection with a calm, finely textured surface and a restrained four-colour palette. Cloud, Steel, Midnight and Ivory move from pale mineral grey through warmer neutral and deeper anthracite tones, providing a practical foundation for contemporary interior schemes.

COLOURS

AVAILABLE FORMAT

300 x 600 mm / 600 x 600 mm / 600 x 1200 mm / 1000 x 1000 mm

All four current colours are available in all four Matt formats. The current Appleton Brooks Project Essentials range is rectified throughout.

Application: Interior floor applications. Current Matt range is R9; assess suitability against the slip-resistance requirements of the intended location.

Bayford

Colour, format and technical specification

SPECIFICATION TABLE

Size	Finish	Thickness	Colour availability	Rectified	PTV	R Classification	V-Shade
300 x 600 mm	Matt	8.7 mm	All 4 colours	Yes	-	R9	V2
600 x 600 mm	Matt	9.5 mm	All 4 colours	Yes	-	R9	V2
600 x 1200 mm	Matt	10 mm	All 4 colours	Yes	-	R9	V2
1000 x 1000 mm	Matt	10 mm	All 4 colours	Yes	-	R9	V2

The current Bayford range is rectified and classified R9 / V2. No PTV value or R-test standard is published for the current Matt scope, so none is inferred.

SPECIFICATION NOTES

- Cloud, Ivory, Steel and Midnight are available in all four current Matt formats shown above.
- A dash in the PTV column means no published PTV value is available for the current scope.
- For wet areas or projects requiring higher slip resistance, contact Appleton Brooks so that an appropriate finish or alternative product can be confirmed before specification.

CURRENT APPLETON BROOKS SCOPE

This sheet covers the current Bayford Project Essentials range only. Please contact Appleton Brooks to discuss additional project-specific formats or higher-slip options.
