Porcelain - tactile clay inspired

Craft explores the tactile character of worked clay through softly irregular surfaces, earthy colour and a family of relief and patterned feature pieces. Plain square and hexagonal tiles provide a versatile base, while Chisel, Embosse, Leaf, Aztec and Splash introduce depth and hand-finished character.

AVAILABLE FORMATS

200 x 200 mm • 216 x 250 mm Hexagon

All core colours and coordinating textured / patterned feature pieces are shown together on page 2.

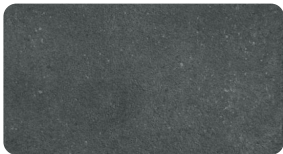

Application: Interior wall and floor use.
