Foundry

Glazed porcelain - brick-inspired textures

Foundry interprets the softly irregular character of fired-clay brick in six mineral and earthy shades. The collection pairs a weathered Plain Matt surface with recessed 3D Décor, enabling a measured interplay of tone, texture and light across architectural interiors.

COLLECTION OVERVIEW

PALETTE
Six colours
Kaolin, Ochre, Madder, Truffle, Lichen and Smoulder

FINISHES
Two surfaces
Plain Matt and wall-only recessed 3D Décor

FORMAT
60 × 240mm
One coordinated porcelain brick format

SHADE VARIATION
V3
Both finishes carry the V3 classification

AVAILABLE FORMATS

60 × 240mm | Plain Matt | 3D Décor

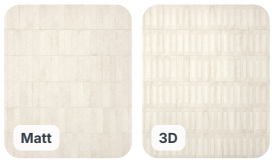

Application: Plain Matt - floors and walls. 3D Décor - walls only.

Foundry

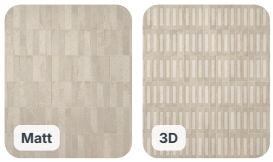

Plain Matt and coordinating 3D Décor

Six shades are each shown in two surface treatments: a softly worked Plain Matt, and a recessed 3D Décor. Paired product-face swatches illustrate the surface relationship. Please request samples to assess shade variation and relief.

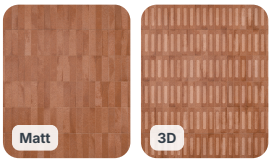

COLOURS

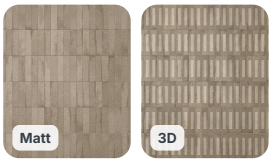

Kaolin

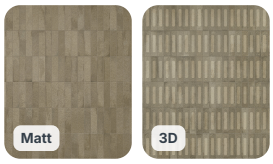

Ochre

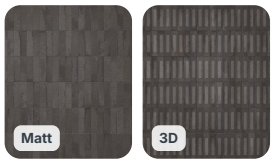

Madder

Truffle

Lichen

Smoulder

Foundry

Finish-specific technical specification

SPECIFICATION TABLE

Size	Finish	Thickness	Colour availability	Application	R Classification DIN EN 16165, Annex B	V-Shade
60 × 240mm	Plain Matt	8.5mm	Kaolin, Ochre, Madder, Truffle, Lichen, Smoulder	Floors and walls	R9	V3
60 × 240mm	3D Décor	8.5mm	Kaolin, Ochre, Madder, Truffle, Lichen, Smoulder	Walls only	-	V3

The R classification shown is the manufacturer's ramp-test result for the Plain Matt surface only. The 3D Décor is a wall-only product; a dash indicates that no floor-slip classification is claimed for this finish.

SPECIFICATION NOTES

- Select the finish according to the intended application and relevant project requirements; decorative wall tiles are not specified as flooring.
- V3 identifies a shade-variation category. Review representative samples before placing an order, especially for larger installations.
- For advice on selecting the most appropriate finish for your project, please contact Appleton Brooks.
