

Gabrielle

Porcelain - polished onyx inspired

Gabrielle explores the translucent depth and layered veining of onyx through five jewel-like tones. The polished surface brings clarity and movement to generous rectified formats, from 600 x 1200 mm to large 1200 x 2800 mm slabs for expressive interior wall and floor schemes.

COLOURS

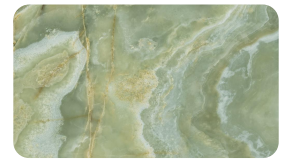

Breeze

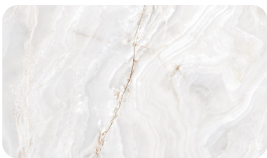

Champagne

Blush

Jade

Opaline

AVAILABLE FORMAT

600 x 1200 mm • 1200 x 1200 mm • 1200 x 2800 mm

All promoted formats use a Polished rectified surface.

Application: Interior wall and floor use.

Gabrielle

Format-specific technical specification

SPECIFICATION TABLE

Size	Finish	Thickness	Colour availability	Rectified	PTV Not published	R Classification DIN 51130	Barefoot DIN 51097
600 x 1200 mm	Polished	8.8 mm	All five colours	Yes	-	-	-
1200 x 1200 mm	Polished	6 mm	All five colours	Yes	-	-	-
1200 x 2800 mm	Polished	6 mm	All five colours	Yes	-	-	-

No PTV, R classification or barefoot value is published for the promoted Polished finish, and none is inferred.

SPECIFICATION NOTES

- The promoted Gabrielle formats use a Polished rectified surface. Project-specific slip data should be requested where a slip-performance requirement applies.
- The collection is classified V3 for shade variation.
- For advice on selecting the most appropriate finish for your project, please contact Appleton Brooks.

ENVIRONMENTAL CREDENTIALS

Environmental Product Declaration

EPD

An industry-specific Environmental Product Declaration is listed within the production-source certifications.

Recycled content documentation

Verified

Current certification records include an attestation of recycled-material percentage; the percentage is not stated on this datasheet.

Environmental management

ISO 14001

Production operates within an ISO 14001:2015-certified environmental management system.

Supporting documentation is available on request where appropriate.
