Hawthorne

Wood-effect porcelain - naturally layered timber character

Hawthorne captures the character of aged timber through flowing grain, natural knots and softly varying tones. Four considered porcelain shades bring warmth and subtle rhythm to interior floor schemes. Long-format rectified planks are available in Natural / Matt and Grip finishes for selection according to project conditions.

COLOURS

Albian
Pale natural

Orvale
Warm golden

Fumara
Muted smoky

Castor
Rich brown

AVAILABLE FORMATS

200 × 1200mm

Natural / Matt and Grip finishes · 9mm thick · Rectified

Application: Floor tiling; confirm finish suitability for project conditions.

Hawthorne

Finish-specific technical specification

FLOOR TILE SPECIFICATION

Size	Finish	Thickness	Colour availability	Rectified	PTV BS 7976-2:2002	R classification DIN 51130	Barefoot DIN 51097
200 × 1200mm	Natural / Matt	9mm	All four colours	Yes	≥36 Dry	R9	A
200 × 1200mm	Grip	9mm	All four colours	Yes	≥36 Dry / ≥36 Wet	R11	A+B+C

PTV (BS 7976-2:2002), R classification (DIN 51130) and barefoot classification (DIN 51097) are independent test results and should not be treated as equivalent.

SPECIFICATION NOTES

- Slip resistance varies by finish. Refer to the ratings for the precise finish being specified.
- For advice on selecting the most appropriate finish for your project, please contact Appleton Brooks.
