

Leighton

Ceramic wall + porcelain floor - terrazzo inspired

A coordinated wall-and-floor collection pairing pale ceramic wall tiles with coloured terrazzo fragments and richer porcelain surfaces. Six colourways connect the two materials through matching flecks rather than identical background tones, while Eggshell and Chip provide additional wall-only options.

COLOURS

Gelato  Wall  Floor	Cannoli  Wall  Floor	Tiramisu  Wall  Floor	Zabaglione  Wall  Floor
Praline  Wall  Floor	Dolcetta  Wall  Floor	Eggshell  Wall Wall only	Chip  Wall Wall only

AVAILABLE FORMATS

Wall: 320 x 990 mm

Porcelain: 200 x 200 mm / 600 x 600 mm / 600 x 1200 mm / 800 x 800 mm / 1200 x 1200 mm

Thickness and rectification vary by porcelain format. See the specification table on page 2.

Application: Ceramic format for wall use. Porcelain formats for floor and wall use. Refer to page 2 for slip performance.

Porcelain	200 x 200 mm	8 mm	Matt	Gelato / Cannoli / Tiramisu / Zabaglione / Praline / Dolcetta	No	36+	R10
	600 x 600 mm	8.8 mm	Matt		No	36+	R10
	600 x 1200 mm	11 mm	Matt		Yes	36+	R10
	800 x 800 mm	10 mm	Matt		Yes	36+	R10
	1200 x 1200 mm	11 mm	Matt		Yes	36+	R10

Test references shown follow the manufacturer's published slip-resistance methods. PTV and R classification are separate test outputs and should not be treated as interchangeable.

SPECIFICATION NOTES

- Slip resistance values shown apply to the porcelain formats only; the ceramic wall format has no slip classification.
- For advice on selecting the most appropriate Leighton product for your project, please contact Appleton Brooks.
- Eggshell and Chip are ceramic wall-only colours and do not have coordinating porcelain versions within the promoted collection.
