Milan

Porcelain - softly veined limestone

Milan interprets fine limestone in a quietly architectural porcelain surface, balancing soft mineral veining with subtle tonal movement. The six-colour palette extends from soft whites and pale grey to charcoal; Chisel, Mosaic, Basket and Slat add texture in Duomo, Brera, Navigli, Sforza and Scala.

COLOURS

Duomo
Soft white

Brera
Warm beige

Isola
Very light grey

Navigli
Cool grey

Sforza
Warm taupe

Scala
Deep charcoal

PTV, R classification and barefoot classification are separate test outputs and are not interchangeable. A dash indicates that no verified value is published for the specified format and finish. The 1200 x 1200 mm Matt tile is 6 mm in all six colours. No R classification or barefoot classification is published for the 1200 x 1200 mm, 6 mm Matt format in any of the six colours, including Isola.

SPECIFICATION NOTES

- Do not interpret a dash as an equivalent test result or as proof of suitability for any specific application.
- Isola is limited to the three Matt formats shown and has no listed decorative or outdoor variants.
