

Montclair

Porcelain - time-worn limestone character

Montclair evokes time-worn limestone through softly chipped edges and a gently weathered surface. Five neutral colourways move from pale Whitecrest to the mixed character of Hearth Blend and Nightfall Blend, with coordinated options for considered indoor and outdoor schemes.

SPECIFICATION NOTES

- Slip resistance varies by finish. Matt is R9; Antislip and 20 mm Outdoor carry the higher wet-area classifications shown above.
- Whitecrest is Matt only. Shade variation is V3 for Whitecrest, Alabaster and Driftstone, and V4 for Hearth Blend and Nightfall Blend; review representative samples before final specification.
- For advice on selecting the most appropriate finish for your project, please contact Appleton Brooks.
