PORCELAIN TILE COLLECTION

Rome

Sixteen stones. One collected palette.

Rome brings together sixteen marble- and stone-inspired colours, from quiet ivory and pale stone to blush, terracotta, deep green, violet, rich burgundy and black. The range shares a restrained matt porcelain finish across five coordinated formats.

75 × 300 mm	1.080 m²	Matt	V2 · R10
75 × 75 mm	0.990 m²	Matt	V2 · R10

PENDULUM SLIP-RESISTANCE EVIDENCE

PTV 36+ — Classica matt, collection-level supporting evidence

SLIDER 96

PTV 40 wet (average)

Report 3473/2024/I, 13 Jun 2024

SLIDER 57

PTV 37 wet (average)

Report 3796/2024/I, 05 Jul 2024

Tests carried out to BS EN 16165:2021, Annex C, on manufacturer-supplied representative Classica 300 × 600mm matt samples. The reports relate only to the samples tested; they do not constitute separate test certification of every Rome colour, size or production batch.

R10 is the manufacturer-declared Matt ramp classification (DIN EN 16165 Annex B). Project-specific slip suitability, installation conditions and applicable requirements should be confirmed with Appleton Brooks.
