

Serenity

Honed porcelain marble effect - two large formats

Serenity is a refined marble-effect porcelain with a soft honed surface and large-format scale. Subtle veining and a calm white ground create an elegant backdrop for bathrooms, living spaces and considered residential or hospitality interiors.

COLOURS

Luxe

AVAILABLE FORMATS

600 x 1200 mm / 1200 x 1200 mm

Rectified honed porcelain. Thickness varies by format; refer to the specification table.

Application: Interior floors and walls. For wet or slip-sensitive areas, please contact Appleton Brooks for advice.

Serenity

Format-specific technical specification

SPECIFICATION TABLE

Size	Finish	Thickness	Colour availability	Rectified
600 x 1200 mm	Honed	10.5 mm	Luxe	Yes
1200 x 1200 mm	Honed	10.7 mm	Luxe	Yes

SPECIFICATION NOTES

- Serenity Luxe is offered in two promoted large-format honed porcelain sizes.
- No PTV, R classification or barefoot rating is stated for the promoted honed formats on this datasheet.
- For advice on finish suitability in wet or slip-sensitive locations, please contact Appleton Brooks.

ENVIRONMENTAL CREDENTIALS

EPD

Verified EPD

A verified Environmental Product Declaration is published under the ISO 14025 framework.

Environmental management

ISO 14001

An integrated environmental management system is certified to ISO 14001.

Recycled content

ISO 14021

Pre-consumer recycled-content declarations are made in accordance with ISO 14021.

Environmental statements above are manufacturer-level credentials applicable to the production source. Supporting documentation is available on request.
