

Tabs

Glossy wall tile - five-colour collection

Tabs brings a clean, glossy surface and confident colour to wall applications. The 300 x 600 mm format gives the five-colour collection a contemporary architectural scale for calm backdrops or stronger feature surfaces.

COLOURS

AVAILABLE FORMAT

300 x 600 mm

10 mm porcelain wall tile, Gloss and rectified.

Application: Interior walls.

Tabs

Wall-tile technical specification

SPECIFICATION TABLE

Size	Finish	Thickness	Colour availability	Rectified
300 x 600 mm	Gloss	10 mm	Pearl, Canvas, Stone, Lagoon, Leaf	Yes

SPECIFICATION NOTES

- Tabs is a wall-only collection in one promoted 300 x 600 mm glossy format.
- All five promoted colours share the same size, thickness and rectified edge specification.
- For advice on installation, grout selection or project suitability, please contact Appleton Brooks.
