

Tuscany

Porcelain - stone inspired

A calm stone-effect porcelain collection with soft mineral tones and subtle fossil-like movement. Tuscany is designed as a flexible architectural surface, with finishes ranging from soft-touch indoor options to higher-slip-resistance surfaces for more demanding areas.

COLOURS

AVAILABLE FORMATS

600 x 600 mm / 600 x 1200 mm / 900 x 900 mm / 1200 x 1200 mm

Finish and technical performance vary by format. See the single specification table on page 2.

Application: Interior wall and floor use. Select the appropriate finish for slip-sensitive areas.

Tuscany

Finish-specific technical specification

SPECIFICATION TABLE

Size	Finish	Thickness	Colour availability	Rectified	PTV BS 7976-2	R Classification DIN 51130	Barefoot DIN 51097
600 x 600 mm	Soft	9 mm	Beatrice / Soleil / Laurent / Elodie	Yes	-	R9	-
600 x 1200 mm	All in One	9 mm	Beatrice / Soleil / Laurent / Elodie	Yes	+36 Wet	R11	A+B+C
900 x 900 mm	All in One	9 mm	Beatrice / Soleil / Laurent / Elodie	Yes	+36 Wet	R11	A+B+C
1200 x 1200 mm	Natural	9 mm	Beatrice / Soleil / Elodie	Yes	+36 Wet	R10	A+B
1200 x 1200 mm	Antislip	9 mm	Beatrice / Soleil / Elodie	Yes	+36 Wet	R11	A+B+C

Test references reproduce the manufacturer's published technical source for this collection. PTV, R classification and barefoot classifications are separate test outputs and should not be treated as interchangeable.

SPECIFICATION NOTES

- Slip resistance varies by finish. Refer to the PTV, R and barefoot ratings shown for the specific finish being specified.
- For advice on selecting the most appropriate finish for your project, please contact Appleton Brooks.
- A dash (-) means no value is published in the controlled manufacturer source.
- Laurent is not available in 1200 x 1200 mm Natural or Antislip finishes.

ENVIRONMENTAL CREDENTIALS

Recycled content

Minimum 20%

Manufacturer-declared recycled material in accordance with ISO 14021.

Environmental Product Declaration

Verified EPD

Verified porcelain stoneware
Environmental Product Declaration
available on request.

Environmental management

ISO 14001

Manufactured within an environmental
management system based on UNE-EN
ISO 14001.

Environmental statements above are manufacturer-level credentials applicable to the production source. Supporting documentation is available on request.
