

Vinci

Porcelain - layered mineral stone effect

Vinci combines fine aggregate detail with fractured mineral veining, creating a porcelain surface with depth and natural variation. Dust brings a pale warm neutral, Smog a softer mid-grey and Coal a darker charcoal tone, giving the collection a versatile architectural character for contemporary interiors.

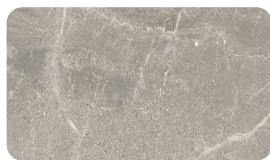

COLOURS

Dust

Pale warm neutral

Smog

Soft mid-grey

Coal

Deep charcoal

AVAILABLE FORMAT

300 x 600 mm • 600 x 600 mm • 600 x 1200 mm • 1000 x 1000 mm

Dust, Smog and Coal are available in all four current Matt formats. V3 shade variation applies across the current range.

Application: Interior porcelain applications. R10 applies to the current Matt range; no PTV value is published. Confirm wet-area or safety-critical requirements before specification.

Vinci

Colour, format and technical specification

SPECIFICATION TABLE

Size	Finish	Colour availability	Rectified	PTV	R Classification	V-Shade
300 x 600 mm	Matt	All 3 colours	Yes	-	R10	V3
600 x 600 mm	Matt	All 3 colours	Yes	-	R10	V3
600 x 1200 mm	Matt	All 3 colours	Yes	-	R10	V3
1000 x 1000 mm	Matt	All 3 colours	Yes	-	R10	V3

R10 and V3 apply to the current rectified Matt range. No PTV value is published, so none is inferred.

SPECIFICATION NOTES

- Dust, Smog and Coal are available in all four current Matt formats shown above.
- A dash in the PTV column means no published PTV value is available for the current range.
- Separate enhanced-slip and 20 mm outdoor options sit outside the current Vinci range; contact Appleton Brooks for project-specific requirements.

CURRENT APPLETON BROOKS SCOPE

This sheet covers the current Vinci Project Essentials range only. Please contact Appleton Brooks to discuss additional project-specific formats or specialist outdoor options.
