Juniper

Glazed porcelain · London brick, reimagined

Inspired by the familiar character of London brick, Juniper offers six glazed colours with expressive tonal variation. Light, middle and deeper tones sit side by side within each colour, letting the luminous surface bring a gentle rhythm to interior walls.

COLOURS

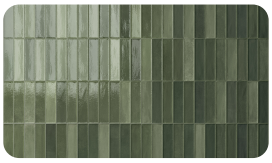

Vanille
soft ivory

Cassia
warm cinnamon

Malted
mineral taupe

Savory
moss green

Zephyr
slate blue

Piper
deep charcoal

AVAILABLE FORMATS

60 × 240mm · Glossy · Non-rectified

V4 / substantial shade variation across all six colours.

Juniper

Glazed porcelain · Technical specification

SPECIFICATION TABLE

Size	Finish	Thickness	Colour availability	Rectified	PTV Not declared	R Classification Not declared	Barefoot Not declared
60 × 240mm	Glossy	8.5mm	All six colours	No	—	—	—

The factory does not declare a product-specific PTV, R classification or barefoot rating for this glossy wall tile. A dash does not indicate a failed test.

SPECIFICATION NOTES

- Shade variation: V4 (substantial). Each colour contains lighter, middle and darker tones. Review multiple tiles and blend from boxes during installation.
- This is a glazed porcelain range specified here for interior wall application. Suitability for individual project conditions must be checked with the project designer.
- PTV, shod R classification and barefoot values are not declared in the supplied factory catalogue. Contact Appleton Brooks for technical support.
