TECHNICAL DATASHEET

Linden

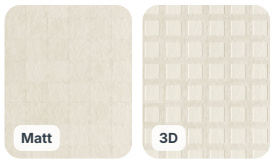

Porcelain - small-format clay-inspired surfaces

Inspired by the subtle marks of hand-worked raw earth, Linden brings soft tonal shifts and a fine, sand-like texture to the small square format. Six mineral colours can be composed as calm matt surfaces or paired with the matching Casella 3D recessed-square wall detail to introduce quiet relief and rhythm.

SPECIFICATION NOTES

- Plain Matt is suitable for floors and walls; the matching Casella 3D finish is a decorative wall tile only.
- The slip resistance and barefoot classifications shown apply to plain Matt, not Casella 3D.
- Unclassified entries are shown with a dash and should not be interpreted as a tested performance value.
- For advice on selecting the most appropriate finish for your project, please contact Appleton Brooks.
